# APPLIED Creative THINKING

Featured in the *New York Times*\*

## The minor in Applied Creative Thinking

- ◆ Expands curricular innovations, including those that integrate media, design, creative problem solving, and expression, with training in the disciplines
- ◆ Engages creative problem solving and builds the capacity of students to imagine ideas and thinking from multiple perspectives
- ◆ Leads students in making innovations a reality

**CRE 101** Introduction to Creative Thinking

**CRE 201** Innovation and Creativity

**CRE 300** Pedagogy of Creativity Studies

**CRE 301** Texts & Technology of Creativity

**CRE 305** Creativity and Research

**CRE 400** Creative Projects

**CRE 490** Creativity Independent Study
