Critical Thinking Teacher of the Year Awards

Critical Thinking Teachers of the Year are nominated by ECU students. This year 475 students nominated instructors who have made an impact on the students' learning and lives. A total of 277 instructors were nominated.

Instructors are nominated because of their efforts to help students think critically and creatively about their educational, professional, and/or personal lives.

We congratulate all of the nominees and thank them for their dedication to ECU students.

Eastern Kentucky University is committed to graduating informed critical and creative thinkers who communicate effectively.
